Subject:

Letter of Demand to Compel I.D. Record

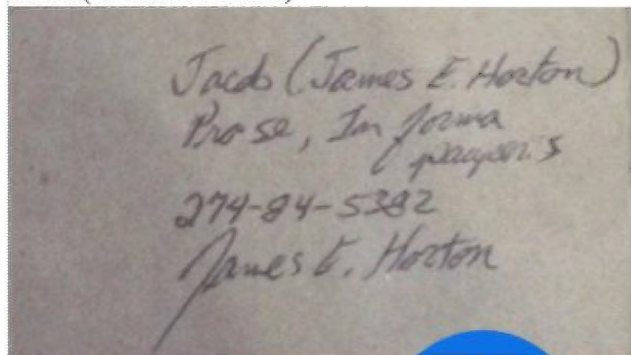

To "ALJ":

I, James E. Horton, hereby demand order to Defendant agency to deliver to Claimant by email to Claimant's email address on record, specifically casefile records of identification on Claimant's eligibility casefile record at location, pursuant to Public Information Act and upon previous actions of Claimant and all support within. Claimant has need to ensure accuracy and faithful of said records. Agency, since theft [by conspirators, in a cult connected to organizations referred to in previous facts within actions of Claimant, which are officially termed, although they change their name frequently to confuse, Ampol Nomads of cult persisting since dispersion of Occupy Movement (see Claimant's Playlist, "Historical Archive" at About page @ [www.bboip.wordpress.com](http://www.bboip.wordpress.com)), who deal meth and live at American River by Sacramento University, also in collusion with saturation of Sacramento Police Department per proofs, per previous information) of original hardcopies retained by Claimant, have withheld from client maliciously and suspiciously (see JCTF vs. SACDHA record at [www.bboip.wordpress.com](http://www.bboip.wordpress.com) from navigation menu). A Fundamental Right! Do not continue to DEFAULT in colluding Prejudice!

Attached: exhibit of I.D. records once provided upon request by caseworker a few years previous and a recent passport photograph (approximately 2 years old) purchased during obstructed attempts to reprocur I.D.

Sincerely:

Jacob (James E. Horton)
